Interlude® is a durable and affordable fabric solution for pinboard and acoustic walling applications and is available in both a plush velour and fine rib finish.

Areas of Use

The original leader in vertical walling and exhibition materials, Prelude® offers all the benefits of a premium walling solution. With its versatile texture and feel and colours inspired by modern trends, the soft random velour finish of Prelude® teams perfectly with other surface furnishings and finishes, enhancing the aesthetic appeal of any space.

Ideal for

Screens, partitions, workstations, operable doors, walls and shop fitouts.

Features and Benefits

- Australian made
- Velcro® Receptive
- Insect and mildew resistant, will not rot or breakdown
- Inspiring colour palette
- Easy clean and low maintenance costs
- Dent resistant
- Dimensionally stable, non-fraying, lightweight

Beware of imitations
